

JUNIOR METERED AIR FRESHENER/ODOUR COUNTERACTANT

Description

Product eliminates tough odours in the air and combats odours trapped in all kinds of carpets, upholstery, draperies, fabric, and clothing. Chemically neutralizes foul odours at the source. Removes unpleasant bathroom odours, smoking odours, kitchen odours, pet and other foul odours.

Use/Benefits

Use everywhere for room freshening, hotels and motels, public washrooms, restaurants, buildings, school locker rooms, nursing homes, hospitals, garbage rooms, smoking areas, offices, anywhere odour is a problem. This product is designed for use in a wide range of automatic metered dispensers commonly found in the marketplace. Dispensers will activate the special metered valve every 15 minutes protecting an area of 170m³ (6,000 ft³) for 30 days.
