

Non-Chlorinated BRAKE & PARTS Cleaner

Description

This high quality BRAKE & PARTS CLEANER is blended with no chlorinated solvents that dissolve and remove accumulations of grease, oil and dirt from brake parts and C.V. joints. The aerosol's rapid stream helps the cleaning process, while giving pinpoint penetration.

Use/Benefits

- Ideal for drum and disc brakes
- Cleans and degreases without disassembly
- High solvency & fast evaporation quickly dissolves and flushes away surface contaminants
- Does not leave film or residue and dries ultra fast
- Helps stop disc brake squeal and "chatter"
- Easy to Use: Spray and let air dry or wipe with dry cloth
