

BRAKE & PARTS CLEANER

Description

This BRAKES PARTS CLEANER formula has a combination of chlorinated solvents that offer a MAXIMUM degreasing performance. This product will remove grease, oil and dirt on contact and will not leave any film or residue. The aerosol's rapid stream helps the cleaning process, while giving pinpoint penetration.

Use/Benefits

- Superior deep cleaning degreasing formula
- Ideal for drum and disc brakes
- Cleans without disassembly
- Quickly removes brake dust, oil, grease, tar and other contaminants
- Stops annoying brake squeal and chatter
- Also suitable for cleaning electrical equipment including alternators, distributors, dynamos, switches, relays and regulators
- Non-flammable and Non-conductive formulation
