

SKIN BARRIER CREAM

Description

SKIN BARRIER forms a thin film or “second skin” when ever added skin protection is required. This second skin provides a shield between your skin and the materials encountered through the work day.

Use/Benefits

- Protects hands against dermatitis caused by exposure to ink, grease, pipe dope, paint, grime and chemicals
- Allows skin to breath
- Eliminates the need for work impeding gloves
- Skin Barrier has a moisturizing and softening effect on the skin
- Rub in foam to create barrier and simply wash off with soap and water
